

**Final Report Publication
Public Inquiry into Infected Blood
20 May, 2024**

HBDCA is very aware that the publishing of the Final Report will be a momentous, immensely emotional and difficult day.

So, if you need somewhere to process what the Final Report will mean for you and for your loved ones, or to de-compress and just be with others in the Infected Blood community, in an informal peer support group setting, please come and join us at:

The Westminster Room, Church House, Dean's Yard, SW1P 3NZ.

The building has an accessible entrance in Great Smith Street, located just 100 metres from Central Hall Westminster. The nearest tube stations are St James's Park (5 minutes) or Westminster (7 minutes).

Members of the HBDCA team will be there from 9am – 5pm on 20 May and 9am – 5pm on 21 May. There will be tea and coffee available throughout the day. We hope HBDCA's presence there will provide you with a safe and welcoming space where you can find support and solace.

After 5pm, on both days, the HBDCA team will also be happy to meet with you in an informal setting in the lounge area of the Hub by Premier Inn Westminster, at 15 Dacre St, London SW1H 0DJ.

HBDCA will also be in the lounge area of the Hub by Premier Inn Westminster on Sunday, 19 May, from 4pm onwards.

Should you need to contact HBDCA about this please call or text Christina Burgess: 07703 747 030.
